Directions from Arlington/Fairfax area: Take the Dulles Toll Road West to the Dulles Greenway and continue west to Leesburg (13 miles to Leesburg once you get on the Greenway). When you see signs indicating you are approaching the end of the Greenway, get in the left lane and follow the signs to Route 7 West (Winchester). As you come off the exit, stay in the right lane and take the first exit which will be the Leesburg business exit (Route 15, north). Turn right at the end of the ramp and continue straight into town until you reach the fifth stop light at the intersection of King and Market Streets. Our office building is located on the east corner of King and Market Streets. Enter on the Market Street side of the building and take the elevator to the third floor. We are located to the left when you exit the elevator.

The Town of Leesburg municipal parking garage is located on West Market Street, adjacent to the Leesburg Town Hall.
